

WOMEN'S CLINIC

4360 Montebello Dr • Suite 900 • Colorado Springs CO • 80918 • 719.388.1594

Volunteer Position Description

Mission Statement & Belief

Dream Centers Colorado Springs exists to provide health and hope for people in the Pikes Peak Region who are working to rebuild their dreams. We believe lives are transformed when we serve the whole person, which means meeting basic needs, providing people with effective health care, offering opportunities to learn and access life skills training, and providing a safe haven that supports our clients designing their lives anew. Our values, both core and aspirational, guide our work every day.

Position Title: Medical Provider (MD, DO, PA, NP)

Reports To: Clinic Director

Status: Volunteer position without opportunity for employment

Position Overview

Provide exceptional gynecological care to women in the community ages 13-64. Consult with patients, order and review diagnostics, develop treatment plans. Our desire is to show the love of Christ through empathy, compassion, and dignity for every person who comes to us for treatment.

Qualifications

Qualified individuals will be licensed by the State of Colorado (exceptions may apply if military status), be BLS certified, and may be required to possess current DEA registration. A copy of an active current medical license is required

Personal Character

Caring and compassionate, flexible, committed, excellent communication skills. Follower of Jesus, comfortable with our holistic approach to health including physical, emotional, mental, and spiritual care.

Duties & Responsibilities

- **Knowledge:** basic gynecology knowledge base
- **Specific Skills:** Well Woman Examination
- **Abilities:** able to learn and utilize EHR according to clinic protocols

Time Commitment

One shift weekly. Shifts are generally 3.5 hours in duration morning or afternoon. Hours of operation: Mon, Wed, Thurs 9am-4pm with shifts of 9am-12:30pm or 12:30pm-4pm; Tues 12pm-7pm with shifts of 12pm-3pm or 3pm-7pm.

Orientation & Training

With Clinic Director
